

This decision form allows supplier to decide the negotiation terms with the retailer1 at SKU level for Elecssories. When the negotiation round starts, the agreed-to contract terms from previous period are displayed. Thereafter, supplier or retailer can initiate proposals by changing the terms, which are highlighted in red (items proposed by supplier) and blue (items proposed by retailer). Once the contract terms are agreed for an SKU, either supplier or retailer or both can click on agree button. If both click on the agree button, the negotiation agreement for that SKU is frozen. Once all the SKU agreements are reached, each party clicks on “Validate Contract” button on the bottom of the screen. If both click it, the contract between both the parties is frozen.
